Re: Call Sign WIH275
Compliance File No. 93L778

Dear Licensee:

The Commission has been informed that the above-captioned radio system may no longer be in operation. Our Rules require the licensee of a station which has permanently discontinued operation to forward the license to the Commission for cancellation. 47 CFR Sec. 90.157. Any station which has not operated for more than one year is considered to have been permanently discontinued.

Please inform us within twenty (20) days of the date of this letter as to whether you have permanently discontinued operation. If your system has ceased operation, please forward the station license to our office. Alternatively, you may notify the Commission by checking the appropriate box on FCC Form 405-A (enclosed), which states that your station has discontinued operation and that you request license cancellation. If you are using these facilities, please provide the dates that your facilities were constructed and operational. Licensees whose licenses are due for renewal and who have received an FCC Form 574-R in the mail may use the appropriate box on that form to notify the Commission that station operation has discontinued and that the license should be cancelled.

We are authorized to request this information pursuant to the Communications Act of 1934, as amended, 47 U.S.C. Sec. 308(b).

When responding to this office, please verify that the above-listed mailing address for your system is correct. If we do not hear from you within 20 days, your license for the above-captioned station will be cancelled without any other correspondence generated by this office. Please send your reply to: Federal Communications Commission, 1270 Fairfield Road, Gettysburg, PA 17325-7245, Attention: Compliance - Room 41. If you have any questions, you may telephone our legal staff at (717) 337-1311, extension 133.

Your attention should be directed to Title 18, U.S.C. Section 1001, in which Congress has determined that a wilful false reply to a letter of this type may result in fine or imprisonment.

Sincerely,

W. Riley Hollingsworth
Deputy Chief, Licensing Division

A F F I D A V I T

I, Gail Thompson, am the wife of Ralph Thompson. Ralph was licensed to operate Business Radio Service--Conventional station WIH275. One day in April, 1994, I received a telephone call from a woman who identified herself as Anne Marie Wypijewski of the Federal Communications Commission. Ms. Wypijewski called regarding my husband's station which was target of a Finder's Preference Request filed by James A. Kay, Jr. My husband had written a letter to the FCC on April 5, 1994, opposing the Finder's Preference Request.

Ms. Wypijewski said that the license for the station was going to be cancelled regardless of the Finder's Preference Request. She indicated that she was trying to help, and she wasn't cancelling the license just to take it away. She informed me that once the license cancelled, it would be "up for grabs" and anyone, including my husband, could apply for it. She made it sound like it would not be very long before all this happened.

Ms. Wypijewski called again on Friday, April 29, 1994 and left a message on our answering machine. I did not have an opportunity to return her call.

I declare, under penalty of perjury, that the foregoing statement is true and correct.

Gail Thompson
